£32 per person

Activities: Forest walk, friendly learning knowledge about clothing, footwear & equipment, movement skills, understanding weather, planning & preparing for walks, communication, navigation, and you might also try to lead a walk and see what responsibilities go with leadership.

National Walks £1

The National Walks are a natural progression from the Local Walks or the Outdoor Skills Walks and are being offered after the completion of the four-week period. This term is very important to us to get to understand you and your needs well before we spend more time walking or camping together. The National Walks can be planned for just one full day or for weekend with overnight stay

Summer Walking Holiday

£TBC

Our Walking Holidays are a natural progression from the Local Walks or the Outdoor Skills Walks and being offered after the completion of the four-week period. This term is very important to us as well as to you, to get to understand each other well and you needs before spending more time walking and camping together. Unfortunately there is no shortcut.
